Security and Compliance FAQs

Maytech's products are supplied as a software as a service, with service being subject to our terms and conditions. Our Security and Compliance Statement outlines Maytech's security and compliance environment and should be read in conjunction with the following security FAQs.

- Maytech Security and Compliance Statement
- Data Encryption, Storage, Retention & Backup
- Identity & Access Management
- Physical & Network Security
- Compliance
- Confidentiality & Privacy

Feel free to contact support@maytech.net if you couldn't find the answer to your question.
