

defaultAccountLang

Returns default language for your account.

Parameters

Name	Type	Description
cb optional	function	callback function

Example

```
this.defaultAccountLang = function(cb) {  
  return _request({  
    method : 'GET',  
    url : '/languages/default',  
    callback : cb,  
    public: true  
  });  
};
```

Example Result

```
{  
  localization: "en_GB"  
}
```
