

finalizeChunkedUpload

Finalize chunked upload.

Parameters

Name	Type	Description
id required	string	current upload id
cb optional	function	callback function

Example Result

```
this.finalizeChunkedUpload = function(id, cb) {  
  return _request({  
    method: 'GET',  
    url: '/upload/finalize/' + id,  
    callback: cb  
  });  
};
```
